Segregation of positive and negative reviews
Considering the newer reviews would not have as many "useful/ not useful" votes, we might decide to only consider the reviews before a certain date. But there still remains the drawback - we don't know if the review has been removed since.(need to address in the final essay)

Text Feature and Ways to Implement It
• Syntactic Complexity - L2SCA, Coh-Metrix
• Bag of words, Bi-grams - not using tool, we can self implement it.

Review of Draft of Draft
• Bold words that need to be replaced.
• Decided to go with multiple text features for now and change it according to the results we find, in the Final Essay.
• Structure of the Draft and Bibliography.

Things to do
• Bibliography - Tejas
• Bold Text Replacement - Tejas
• Sign In sheets - Tejas
• Signatures - Everyone
• Find if name of the authors of the drat is required , which format to use (might be COLING)- anyone
